Intent

Through the teaching and learning of French we intend to stimulate our children's curiosity about how people communicate in different places around the world. We focus particularly on French so that when our children leave us, they will have established strong foundations to build upon when learning this language at High School. As they progress through our curriculum, we aim for our children to develop knowledge and understanding of the French culture and ways of life. Our approach to teaching and learning in modern foreign languages intends to allow every child to explore the language in a progressive way that engages their independence and resilience. We hope that through the teaching of French at Chapel End Primary School, that we equip our children with the tools needed to travel, work and live abroad in later life when they become responsible global citizens.

We will do the best WE can to enable our children to do the best THEY can.

Aims and objectives:

The aims and objectives of learning a modern foreign language in primary school are:

- to foster an interest in learning other languages;
- to introduce young children to another language in a way that is enjoyable and fun;
- to make young children aware that language has structure, and that the structure differs from one language to another;
- to help children develop their awareness of cultural differences in other countries;
- to develop their speaking and listening skills;
- to provide children with the transferable skills to learn foreign languages in the future.

Implementation

The Curriculum

- At Chapel End Primary School, we use materials provided to us by 'The Primary Languages Network' to support the delivery of French.
- Knowledge, skills and vocabulary are mapped out across Years 3 to 6 to ensure that there is effective progression, challenge and differentiation.
- The design of the curriculum allows for effective links with other subjects such as religious education, music, science and geography.
- The British values of respect and tolerance are threaded throughout the curriculum.

Organisation

- French is taught for 1 hour each week in Years 3 to 6.
- Children record their learning in their MFL book. They have 2 books as they complete their learning journey. Book 1 in Years 3 and 4; book 2 in Years 5 and 6.
- Each unit of work begins with a knowledge organiser which details: vocabulary, sounds, questions and answers and key knowledge.

Planning

- Teachers plan using the 'Primary Languages Network' VLE
- Using the VLE, staff choose which activities best suit the needs of their class. They also choose the level of support they need to support them with the delivery of each lesson.

Teaching and Learning

- Lessons are delivered using a variety of approaches including videos, songs, poems, rhymes, stories, quizzes and written activities.
- Every lesson MUST contain opportunities for children to use their speaking and listening skills.

Assessment and feedback

- Children's attainment and progress is assessed in each lesson.
- Staff use individual knowledge organisers to highlight when a child has achieved an objective.
- Written work will receive the appropriate following feedback:
 - Child asked to correct a mistake in a coloured pen.
 - Child challenged with an extension question linked to what they have learned.
 - Knowledge organiser highlighted.

Monitoring

- Progress and achievement in modern foreign languages will be monitored in the following ways:
 - Autumn Term: Knowledge organiser review and data analysis and book scrutiny
