

# Billinge Chapel End Primary School & Nursery

I Do My Best!

# OUR VISION

To see our children leave us as healthy, happy, well-rounded individuals who: have respect for the world and understand their responsibilities as a global citizen in ensuring that it is conserved for future generations; are aware of their place in society and their responsibility to contribute positively to it; are polite, helpful and have respect and tolerance for others and their beliefs and cultures and possess the skills and knowledge that they will require to enable them to continue their learning and reach their full potential. Our vision is to instil these values along with supporting your child in making as much academic progress as possible.

## At Chapel End Primary School, we aim to:

- Work in partnership with parents to support them in raising their child
- Provide learning environments that are warm, welcoming, secure, child-centred and intellectually stimulating
- Help develop a positive attitude to learning and encourage children to become independent resilient
- Provide quality teaching, both indoors and outdoors, that motivates and sustains our children's attention
- Encourage our children to develop lively, imaginative, creative and enquiring minds
- Provide opportunities for our children to question, discuss and apply themselves to tasks
- Develop skills that children need in order to contribute successfully to a constantly changing society
- Develop moral, spiritual and social values that children need in order to contribute effectively towards a sustainable environment for future generations
- Encourage our children to value human achievements in all areas including music, sports and arts
- Develop the attitude in all children to do their best

## WELCOME

The children, staff and governors of Billinge Chapel End Primary School and Nursery welcome you to our happy school. We are a community school that believes in providing a well-rounded education, where everyone's talents can be nurtured and celebrated.

This prospectus will give you the information and a flavour of the education we can offer your child, but we invite you to visit us to experience the very special atmosphere at Billinge Chapel End. We are very proud of our children and staff and keen for you to see us in action.

We want everyone to feel safe, healthy, happy and successful

I Do My Best!

'The school is a warm and friendly place.' *OFSTED 2017*

**I Do My Best! Our school motto is the key to our children's success. We know that children learn best when they enjoy their learning and the principles of excellence and enjoyment are central to Chapel End's philosophy.**

At our school children really matter and every child's ability is recognised, developed and rewarded. We welcome children from a range of backgrounds and abilities.

Each child's progress is monitored continuously; where appropriate, we provide extra support and new challenges for individual children.

Our creative, exciting and skills based curriculum provides challenging and practical opportunities which extend and broaden children's learning.

The curriculum is enhanced through a range of specialised experiences including: educational visits, artists and performers coming into school and an outward bound residential.

## OUR SCHOOL

“Pupils are polite, welcoming and respectful.”

OFSTED 2017

**EARLY PHASE**  
RECEPTION, YEARS 1 & 2

## A SPECIAL START

“Chapel End is special because everyone is kind and you have lots of friends.”

YEAR 1 PUPIL

In the Early Phase, we provide a secure, friendly and exciting environment in which our younger children flourish.

In Nursery and Reception, children work towards the Early Learning Goals and approach all aspects of learning through play.

The key skills of Reading, Writing and Mathematics are at the heart of the Early Phase. These are taught using a motivating, child-centred curriculum which ensures children are keen to learn and are proud of their achievements. We use all areas of the school, inside and outside, to enrich their learning experience.

We make sure every child gets a very special start to their school life, one that lays firm foundations for their future development and success.

A secure, friendly and exciting environment in which our younger children flourish.

I Do My Best!

Work in partnership with parents to support them in raising their child

In the Middle Phase, our children are already established learners and can apply their English, Mathematical and Computing skills to discover more about their world. They love being able to express themselves confidently through talk, drama and in their writing.

Many of our children start to question and reason and want to clarify their ideas with their teacher and their parents.

By now, most of our children are taking advantage of the many clubs and activities which we run outside the classroom. These include:

- Choir
- Art Club
- Football
- Netball
- Multi-sports

Every child in the Middle Phase enjoys a year of free instrumental tuition and by the end of this phase, our pupils have acquired a wealth of skills and knowledge, which enables them to move on to the next stage of their education with confidence.

**MIDDLE PHASE**  
**YEARS 3 & 4**

## **NEW CHALLENGES**

“Chapel End is a special school because the learning quality is amazing, and the teachers are kind (some extra kind).”

YEAR 4 PUPIL

Develop moral, spiritual and social values that children need in order to contribute effectively towards a sustainable environment for future generations

**I Do My Best!**

**LATER PHASE**  
**YEARS 5 & 6**

# INDEPENDENT LEARNERS

“Pupils take pride in their work, have high aspirations and are keen to go to university”  
OFSTED 2017

In Years Five and Six, our pupils make effective use of their English, Mathematical, Computing and analytical skills to extend their learning across the curriculum. They use their knowledge and skills to find out things for themselves, developing into lifelong learners.

Independence and taking responsibility are key features of the Later Phase. Our pupils contribute to the life of the school, leading the Pupil Voice, Eco groups, becoming House Captains and Play and Book Buddies for younger pupils.

They are also encouraged to be valuable members of the wider community. They contribute to charity and work closely with groups, schools and businesses in the local community.

A special feature for Year Six is the school residential trip where pupils learn about themselves and others by taking part in adventurous and challenging outdoor activities.

Our children are taught and encouraged to become reflective learners. They leave Chapel End Primary School with a real sense of achievement and an enthusiasm for the future.

Help develop a positive attitude to learning and encourage children to become independent and resilient

## And finally...

Thank you for taking time to read this prospectus. We hope that it has given you an insight into what takes place at Billinge Chapel End Primary School & Nursery.

Naturally, any prospectus can only answer some questions. Please feel free therefore to visit our school at any time for further details and a tour of the school. You and your child will always be given a warm welcome.
