Safeguarding

National Online Safety

On returning to school after the half term, I have had a number of reports that our children are imitating scenes from a Netflix series called Squid Games. Unfortunately, the games that the children are playing are traditional playground games, however the series has added a violent element to them. In the interest of safeguarding all of our children, I have copied some information from the online safety network website for parents and carers to reference.

What is Squid Game?

Netflix's Squid Game is set to become the streaming service's most successful show of all time, with huge numbers of viewers taking to social media to discuss each new episode. The South Korean thriller features some scenes of fairly brutal violence and is rated 15 by the BBFC. It follows a group of adults who compete to win innocent-looking playground games, but who are killed if they do not succeed at the tasks.

An unexpected success in terms of viewing figures, Squid Game's popularity is beginning to spread across various online platforms. There has been a slew of content created – ranging from memes to apps – that convey the violence of the show, so it is important for parents, carers and educators to understand the basis of Squid Game and the potential risks to young people who might be exposed to it.

What are the hazards for children?

Squid Game's 15 rating has not prevented clips and images from the show being uploaded onto social media sites such as [TikTok](#), with the #SquidGame hashtag being viewed more than 22.8 billion times. There have been reports of children who have accounts on these platforms inadvertently viewing gory, explicit scenes from the programme, and parents and carers should be mindful of the prevalence of these uploads.

The popularity of the programme has also led to [online challenges](#) based on various scenes, which see people taking part in seemingly innocent children's games. On the show, however, characters are executed if they fail in the game – and videos of people pretending to kill each other after competing in Squid Game-style contests are going viral on social media, where they are easily accessible to children.

What is the Squid Game Challenge app?

Squid Game Challenge (also known as K-Game Challenge) is an app for smartphones and tablets that has been released for Android and iOS, and the two systems differ significantly on their [age ratings](#) for the game. The iTunes Store rates the app as 12+ (advising of "mild/infrequent horror/fear themes"), while the PEGI rating for Android is just 3+, which means that very young children might be able to download and play the game even with parental controls activated on their device or through Google Play.

The gameplay is frequently interrupted by pop-ups and ads (sometimes appearing while the user is rapidly tapping their screen while attempting to complete the challenge). This could easily lead to unwanted purchases or accidental visits to inappropriate sites beyond the app.

What can trusted adults do?

As a parent or carer, keep a watchful eye on the content that your children are viewing. [Speak to them openly](#) and chat about how they have been spending time on their devices; let them ask questions, too. Ensure that the [parental controls](#) are activated [on your child's device](#) and that age-restricted child profiles are properly set up any on-demand services available through the family TV (such as [Netflix](#), in this case) to prevent inappropriate content being streamed.

If you see your child replicating the challenges from the show or hear them talking about scenes and characters from Squid Game, it would be a timely opportunity to discuss with them that the programme is not intended for children, that much of the content would be inappropriate for their age, and that the violence in the series is very realistic and often upsetting.

Children's Act of Remembrance

REMINDER: Once again, children in Year 6 will be taking part in an act of remembrance on **Thursday 11th November**. All parents who wish to attend are very welcome and should gather from 10.30am onwards at the Remembrance Garden on Main Street, Billinge. Y6 PGL Holiday 2022 - 15th-17th June 2022

If your child is attending PGL the amount of £300 has been added to your child's SchoolMoney account. As this will be held by staff on the holiday, we ask that the £6 is handed to the school office any time from now until June. Team Chocolate Orange Campaign 2021 (November —10th December)

Elliott Lamb (a relative of a current Y6 and Y3 child) sadly passed away of a congenital condition at Christmas time in 2010. As part of his legacy the family try to collect as many chocolate oranges as possible to pass on as a small gift and gesture of kindness to those going through challenging times at Christmas and to our incredible NHS heroes, our carers and all of those who helped when lockdown came.

If you would like to donate a chocolate orange, please send them into school by Thursday 9th December.

For more information please contact chrislamb saint@gmail.com.

Christmas Bauble Competition

We are again holding our Christmas Bauble Competition and the baubles will be used to decorate our Christmas tree in the Junior hall. Polystyrene balls will be available to purchase from the school office at a cost of £1. (Watch this space for more information).

Baubles can be decorated at home using any materials but please ensure they have a hook/loop to enable them to be hung on our Christmas tree. Children can collect their baubles at the end of term to take home and hang on their own Christmas tree! Prizes will be awarded to the best decorated baubles.

Please continue to use class Dojo to access information about your child's class on a daily basis.

Christmas Cards

This week your child has brought home their Christmas cards, mugs etc. If your child has not received their items please contact Mrs Grimshaw as soon as possible.

Thank you again for your fantastic support.
